Note the Temper of that Saw

Every WOLVERINE SAW must stand this test before it leaves our factory. ¶ They've got to be the highest quality of Steel and well made to pass our inspection ¶ We are the first and only Saw Manufacturers in the United States to put the Union Label on Saws : : : : : : : : : :

See That This Label is

on every Saw you Buy.....

and you will be sure to get a good article if it's made by WILSON—that's all. Now it's up to you : : : : :
